A Short Guide to Writing about History is an ideal complement for any history course intended to teach students to think and write like historians. This engaging and practical text will teach students how to go beyond reporting the basic dates and facts of their history books and show them how to infuse their writing with their own ideas and unique perspective.

A Short Guide to Writing about History (9th Edition) PDF

Providing the reader with the tools needed to be successful writers in college and their profession, A Short Guide to Writing about Biology emphasizes writing as a means to examine, evaluate, and share ideas. The text teaches how to read critically, study, evaluate and report data, and how to communicate information clearly and logically.

A Short Guide to Writing About Art PDF ebook, Global Edition

"A Short Guide to the City" is a 1990 horror short story by American writer Peter Straub collected in Houses Without Doors. It blends and fuses two disparate literary forms: a self-congratulatory travel brochure published by a city's Chamber of Commerce and a news report about the murderous killing spree of the "viaduct killer."
