Tennessee State Parks Earns National Accreditation. One of only two state park systems in the country to receive this honor. Read More

Tennessee State Government - TN.gov

National accounts or national account systems (NAS) are the implementation of complete and consistent accounting techniques for measuring the economic activity of a nation. These include detailed underlying measures that rely on double-entry accounting. By design, such accounting makes the totals on both sides of an account equal even though they each measure different characteristics, for ...
