

american and british english pdf

Many of the differences between American and British English date back to a time when spelling standards had not yet developed. For instance, some spellings seen as "American" today were once commonly used in Britain and some spellings seen as "British" were once commonly used in the United States.

American and British English spelling differences - Wikipedia

American English (AmE, AE, AmEng, USEng, en-US), sometimes called United States English or U.S. English, is the set of varieties of the English language native to the United States.. English is the most widely spoken language in the United States and is the common language used by the federal government, to the extent that all laws and compulsory education are practiced in English.

American English - Wikipedia

Introduction. Speakers of American English generally use the present perfect tense (have/has + past participle) far less than speakers of British English. In spoken American English, it is very common to use the simple past tense as an alternative in situations where the present perfect would usually have been used in British English.

Differences in American and British English grammar
