This introduction to R is derived from an original set of notes describing the S and S-Plus environments written in 1990â€”2 by Bill Venables and David M. Smith when at the University of Adelaide.

### **An Introduction to R**

"David deSilva's An Introduction to the New Testament has served as an excellent resource both in the classroom and for individual study. Now in this second edition his discussion of the documents of the New Testament and related cultural, social, and historical issues continues to offer a clear and engaging general introduction to these topics that often add important details beyond a bare introduction.

### **An Introduction to the New Testament - InterVarsity Press**

The study of Introduction was gradually limited to an investigation of the origin, the composition, the history, and the significance of the Bible as a whole (General Introduction), or of its separate books (Special Introduction).
