Art, Nature, and Religion in the Central Andes - Project MUSE

ECOLOGY AND NATURE RELIGION* The term nature religion or the plural nature religions most commonly is used as an umbrella term for religious perceptions and practices that despite substantial diversity are characterized by a reverence for nature and consider nature sacred.

ECOLOGY AND NATURE RELIGION - CLAS Users

Art creates the Ideal and belongs at the beginning of religion; religion has in the Ideal a mystery, and would, by holding fast to the Object and making it dependent upon itself unite with it in inward godliness.

Art and Religion | The Anarchist Library

religion and art, but there are two basic meanings. One meaning is simply the celestial part of nature , which is usually presented in the phrase "Heaven and earth," i.e. the phenomenal world of the ten

CHINESE VIEWS OF NATURE AND ART

The artworks under discussion detail the scope and breadth of art that can be described as spiritual by virtue of its revelatory, revitalizing and contemplative capacities. Rather than interrogating the relationship between art and religion, more pertinent questions in the contemporary age are: What is the nature of the dialogue between art and spirituality, how do the two come together, and ...

Spirituality and Contemporary Art - Oxford Research

Traditional ecological knowledge may be considered as a sub-set of indigenous knowledge, defined as local knowledge held by indigenous peoples or local knowledge

Traditional Ecological Knowledge - Website for the

Nature, as are all others, and furthermore we either obey the laws of Nature and work in harmony with those laws, or Nature will phase us out just as surely as she has so many other species, just as the dodo bird and the dinosaur have been relegated to the scrap heap of antiquity.
