accept a problem definition from the person bringing the problem to your attention. The reason is simple enough, if they really knew what the problem was, then they wouldn't have a problem. That's not always true, but true often enough to help the it's self ordained problem solver avoid a lot of grief.

A small collection of thoughts on PS By Peter de Jager

Art of Problem Solving has been a leader in math education for high-performing students since 1993. We launched AoPS Academy in 2016 to bring our rigorous curriculum and expert instructors into classrooms around the United States.
