In the process of writing, the thesis statement does not always come first. Many writers prefer to save the thesis statement for last, after they have explored their ideas in the first draft. Other writers start with a thesis statement, only to discover that it does not really express what they want to say. This is good.

hence, Business Writing Basics (originally called Write On!: Business Writing Basics). Although it would be useful, there is no need to read the book from cover to cover. This is the third edition of Business Writing Basics, and it is interesting to note the changes that have occurred over the past few years in both my business life and in the book.
