Body language is a type of nonverbal communication in which physical behaviors, as opposed to words, are used to express or convey information. Such behavior includes facial expressions, body posture, gestures, eye movement, touch and the use of space. Body language exists in both animals and humans, but this article focuses on interpretations of human body language.

"Body Language" (printed as "Body Language" with a symbol) is a 1982 dance/funk song by British rock band Queen. It was written by the band's lead singer Freddie Mercury and was a hit in North America, where it received extensive radio play. However, the single only received a lukewarm response in the United Kingdom.
