2. Show students how to fold the sheet of paper in half the long way, carefully lining up the corners. Then, show them how to fold it carefully in half twice more and then unfold the last two folds to reveal four equal sections, as shown at right.

All Bottled up: The Perfect Ecosystem

But instead I just bottle it all up inside. And put you on a pedestal and worship you above. Is it fear or foolish pride? How could I really be in love? Not even a touch or a kiss. I can't even talk to you. But with just a look I'm in bliss. Is that a love that's true? There are so many things that would keep us apart.
