The trend among state governments for the past 70 years has been to abandon biennial budgeting for annual budgeting. Forty-four states enacted biennial budgets in 1940. Only 19 do now. One reason for the change was the resurgence of state legislative power in the middle of the 20 th century ...

State Experiences with Annual and Biennial Budgeting

A personal budget or home budget is a finance plan that allocates future personal income towards expenses, savings and debt repayment. Past spending and personal debt are considered when creating a personal budget. There are several methods and tools available for creating, using and adjusting a personal budget. For example, jobs are an income source, while bills and rent payments are expenses.
