Cat's cradle is one of the oldest games in recorded human history, and involves creating various string figures, either individually or by passing a loop of string back and forth between two or more players. The true origin of the name is debated, though the first known reference is in *The light of nature pursued* by Abraham Tucker in 1768. The type of string, the specific figures, their order ...

During the war, in hundreds of lliums over America, managers and engineers learned to get along without their men and women, who went to fight. It was the miracle that won the war â€” production with almost no manpower. In the patois of the north side of the river, it was the know-how that won the war. Democracy owed its life to know-how.. Chapter 1 (p. 9) ...
