The civil service is independent of government also composed mainly of career bureaucrats hired on professional merit rather than appointed or elected, whose institutional tenure typically survives transitions of political leadership. A civil servant or public servant is a person employed in the public sector on behalf of a government department or agency.

Civil service - Wikipedia

Engineering education is the activity of teaching knowledge and principles to the professional practice of engineering.It includes an initial education (bachelor's and/or master's degree), and any advanced education

and specializations that follow. Engineering education is typically accompanied by additional postgraduate examinations and supervised training as the requirements for a ...
