This post has been updated! Check out the new, easier, methods of adding your signatures to PDFs here. In an effort to go completely paperless, I was presented with the problem of needing to sign a document (pdf) that was emailed to me and then needing to send it back. Without having to print out the form to sign it nor needing access to a scanner or fax machine to send it back, you can simply ...

The Beginning (November 24) On November 24th, a Reddit post appeared stating that Sony Pictures had been breached and that their complete internal network, nation-wide, had signs that the breach was carried out by a group calling themselves GOP, or The Guardians Of Peace. This comes three years after a large series of attacks against Sony became public.
