

female impalement stories pdf

The human target is the essential distinguishing feature of the impalement arts. It has been asserted by several sources, including well-known knife throwers, that the power and appeal of this type of act lies as much in audience appreciation of the target as in admiration of the skill of the thrower or archer. Various theories have been put forward to explain this, ranging from simple awe at ...

In folklore, a mermaid is an aquatic creature with the head and upper body of a female human and the tail of a fish. Mermaids appear in the folklore of many cultures worldwide, including the Near East, Europe, Asia, and Africa. The first stories appeared in ancient Assyria, in which the goddess Atargatis transformed herself into a mermaid out of shame for accidentally killing her human lover.
