**Financial Management Principles And Applications Cabrera**

First of all, financial management is a core life skill; almost every one needs to understand some concepts of  
finance to manage his/her business & personal finances. It is generally and quite rightfully said, â€œMoney  
makes the world go roundâ€•. Finance is like a life-blood for a company. Even the best of the companies and  
CEOs go out of the business because of poor financial management policies.
