The UniSA Master of Business Administration (MBA) has been developed for experienced managers and executives. It has a strong practical focus embedded in senior management decision-making and the latest in management research.

### **Study Master of Business Administration at the University**

The case method is a teaching approach that uses decision-forcing cases to put students in the role of people who were faced with difficult decisions at some point in the past. It developed during the course of the twentieth-century from its origins in the casebook method of teaching law pioneered by Harvard legal scholar Christopher C. Langdell. In sharp contrast to many other teaching methods ...
