What is the APA Citation Style? The APA citation style (6th Edition) is a parenthetical author-date style, so you need to put the author's last name and the publishing date into parentheses wherever another source is used in the narrative. The APA format consists of in-text citations and a reference list, along with guidelines for formatting the paper itself.

3. APA Style (American Psychological Association) Using a particular citing/formatting style can simplify the editor's work because every author adheres to the same format, as well as make it easier for the audience to follow the author's ideas because they are organized according to a familiar structure.
