LEARNING DISABILITIES: HISTORICAL PERSPECTIVES

Panchira (パンチラ) is a Japanese word referring to a brief glimpse of a woman's underwear. The term carries risqué connotations similar to the word 'upskirt' in English usage. The word is a portmanteau of "panty" (パンツ, pant) and chira, the Japanese sound symbolism representing a glance or glimpse. It differs from the more general term "upskirt" in that panchira specifies ...

African roots. There are few characteristics common to all blues, as the genre takes its shape from the peculiarities of each individual performance. Some characteristics, however, were present prior to the creation of the modern blues, and are common to most styles of African American music. The earliest blues-like music was a "functional expression, rendered in a call-and-response style ...

The anthropological sciences occasionally have to deal with something which has a profound but unexpected impact on our understanding of human origins. Two events are noteworthy, in part because both impacted powerfully upon our concept of human evolution, but also because they were diametric opposites. One was a truth first rejected, and the other was a false contrivance embraced as fact.
