The two kiddos are finger-knitting, which Iâ€™ve written about before and again, but it continues to be a favorite activity. It is a really easy way to make something from nothing, quickly, especially if you use a super-bulky yarn.. I figured it was time to provide instructions to you all, since my family consistently gets so much joy out of doing it.

Keep in mind this is my personal bug out bag list. I say it's the ultimate bag because it's better than anything I can come up with for my circumstances, that takes into consideration my budget, my skills (and lack thereof in some cases), my geographic area, my 25-pound dry weight limit I imposed, and what my most likely scenarios for using it are.

How I built my ultimate 25 pound bug out bag

As a neophyte in the prepping world you probably find that you have a lot to think about. For me there was a deep fear that all my worries and fears about the collapse of society were a lot closer and more possible than I'd ever believed. There was also a new feeling of interest and community that ...
