Matt and I recently took the opportunity to talk to the girls about appropriate vs. inappropriate touching. They've just turned 8, 7, and 5. We've had this conversation with them before. We have it at least once every year. Most recently we taught them about sex so these types of conversations are on-going at...

Buy Seroquel pills : Best buy Seroquel - Thriving Parents

It is common for parents in many Indigenous American communities to use different tools in parenting such as storytelling “like myths” consejos (Spanish for advice, in this context), educational teasing, nonverbal communication, and observational learning to teach their children important values and life lessons.. Storytelling is a way for Indigenous American children to learn about their ...

Talking to Kids: 100 Conversation Starters & Questions

Every parent would like to believe that suicide is not relevant to them or their family or friends. Unfortunately, it’s all too relevant for all of us. It’s the 2nd leading cause of death for youth age 10-24. Even more disturbing are national surveys that tell us that 17.7% of high school students admit to [!]
