Extramarital sex occurs when a married person engages in sexual activity with someone other than his or her spouse. From a different perspective, it also applies to a single person having sex with a married person. From a religious perspective, it could also have a third interpretation as referring to sex between people who are not in a conjugal relationship.

Philosophy in the Boudoir (La philosophie dans le boudoir) is a 1795 book by the Marquis de Sade written in the form of a dramatic dialogue. Though initially considered a work of pornography, the book has come to be considered a socio-political drama. Set in a bedroom, the two lead characters make the argument that the only moral system that reinforces the recent political revolution is ...
