2 Introduction The subject of this article is the concept of "neoliberalism" and its history. The concept has, during the past twenty years or so, become somewhat of an exhortation in many political and

What is Neo-Liberalism

Anarchism is an anti-authoritarian political philosophy that advocates self-governed societies based on voluntary, cooperative institutions and the rejection of hierarchies those societies view as unjust. These institutions are often described as stateless societies, although several authors have defined them more specifically as distinct institutions based on non-hierarchical or free ...
