William James (1842–1910) was an American philosopher and psychologist, and the first educator to offer a psychology course in the United States. James was a leading thinker of the late nineteenth century, one of the most influential U.S. philosophers, and has been labelled the "Father of American psychology".

The term multiculturalism has a range of meanings within the contexts of sociology, of political philosophy, and of colloquial use. In sociology and in everyday usage, it is a synonym for "ethnic pluralism", with the two terms often used interchangeably, for example, a cultural pluralism in which various ethnic groups collaborate and enter into a dialogue with one another without having to ...

Today, the busiest airport in the world is in Metro Atlanta, and the region has one of the fastest-growing economies in the country. However, Metro Atlanta's growth and its forward-looking political climate have left many communities, especially low-income communities and communities of color, behind.
