The History of the Pre-sentence Investigation Report Considered among the most important documents in the criminal justice field, the presentence investigation report (PSI) has been the central source of information to

The History of the Pre-sentence Investigation Report

Both the Otago and PSI training courses will be most pertinent to you. The RCP audit 2012 may be of additional interest to you. It is important to understand the differences between these two evidence based interventions and the role that health professionals play in their implementation, and their role in supporting rehab assistants/support workers and patient assessment for suitability etc.
