UNDP | Procurement Notices

Procurement is the process of finding, agreeing terms, and acquiring goods, services, or works from an external source, often via a tendering or competitive bidding process. The process is used to ensure the buyer receives goods, services, or works at the best possible price, when aspects such as quality, quantity, time, and location are compared. ...

The Division of Local Government Services along with the State Purchase Bureau operates the GovConnect program which provides public purchasing agents from across the state valuable and timely information necessary to your needs.

NJ Local Agency Procurement Laws - New Jersey

Construction is the process of constructing a building or infrastructure. Construction differs from manufacturing in that manufacturing typically involves mass production of similar items without a designated purchaser, while construction typically takes place on location for a known client. Construction as an industry comprises six to nine percent of the gross domestic product of developed ...
