Since the establishment of the United States in 1776, numerous state partition proposals have been put forward that would partition an existing state (or states) in order that a particular region within might either join another state, or create a new state. Article IV, Section 3, Clause 1 of the United States Constitution, oftentimes called the New States Clause, grants to the United States ...

The legal sector is changing at pace. That means our regulation must be up to date and fit for purpose, providing public protection without hampering the growth and innovation that drives a competitive and effective legal sector. We are reviewing the SRA Handbook in two phases. We are now consulting on the first phase of our proposed changes.
