Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...

At a glance, Cassandra seems like the average teenage girl—but her necklace, featuring a drawing of a woman holding up a bodybuilding weight, should be a clue that this Gold Award Girl Scout is strong. Strong enough, in fact, to take on the House and Senate in New Hampshire and change state law to protect young people under the age of 16 from child marriage.
