In literary criticism and rhetoric, a tautology is a statement which repeats the same idea, using near-synonymous morphemes, words, or phrases, that is, "saying the same thing twice". Tautology and pleonasm are not consistently differentiated in the literature.. Like pleonasm, it is often considered a fault of style when unintentional. On the other hand, an intentional repetition may be an ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.

Fact. The two major U.S. parties (now called Democrats and Republicans) went through many changes in American history as support from geographic locations, party leaders, political factions, stances on key voter issues, and platform planks switched between the two major parties and third parties throughout the different "party systems."
