Journal entries use debits and credits to record the changes of the accounting equation in the general journal. Traditional journal entry format dictates that debited accounts are listed before credited accounts. Each journal entry is also accompanied by the transaction date, title, and description of the event.

Reflective Journal: Student Teaching Experience The journal writing process can be a highly individualized experience; some students find writing a tedious activity and others regard it with anticipation, much like getting together with a good friend. We believe that student teaching should be a reflective journey, both inward and outward.

#### **Reflective Journal: Student Teaching Experience**

Both in traditional and online classrooms, journal entries are used as tools for student reflection. By consciously thinking about and comparing issues, life experiences, and course readings, students are better able to understand links between theory and practice and to generate justifiable, well-supported opinions.
