I asked my architect about stone floors in entries, and he noted that in previous times, it was probably very practical to have stone in the entry as it offered more durability when a visitor was coming in from the rain or snow.

### **Things That Inspire: Stone floors in entries**

Modernism is a philosophical movement that, along with cultural trends and changes, arose from wide-scale and far-reaching transformations in Western society during the late 19th and early 20th centuries. Among the factors that shaped modernism were the development of modern industrial societies and the rapid growth of cities, followed then by reactions of horror to World War I.
