The American Empire and 9/11 (full-length Version with Notes) David Ray Griffin Introduction After the attacks of 9/11, I accepted the blowback thesis, according to which the attacks were revenge for U.S. foreign policy. This view led me to undertake an extensive study of the American empire, the very reality of which had been an embattled issue.

An empire generally evolves from a country or a federation of states, goes through an expansion, becomes an empire and then the inevitable decline and fall. The re-sulting mess left from a fall usually leaves a period of de-cay. Such was the dark ages after the fall of Rome. The recent fall of the Soviet Empire is just now resulting in a

some form, this ideology has been present for a long time. There are similarities between the advocates of the ideology of American empire and the ideologues who inspired and led the French Revolution of 1789. The Jacobins, too, claimed to represent universal principles, which they summed up in the slogan "liberte, e galite, etfraternite"
